

LONDON BUSINESS GUIDE

Turkish Business Networking Dinner-Conference

The workshop/Turkish Business Networking Event and Dinner - Conference, organised by London Business Guide, took place at the Hilton Metropole Hotel on Friday October 27, 2006. Notable people from European businesses and politics participated in the Dinner-Conference as it marked a first where Turkish origin European & British MPs, businessmen from diverse European countries and local politicians gathered in such a networking event. The speakers at the conference expressed their views on the Turks and Turkish businesses in Europe. This programme came to an end by the Awards Ceremony.

UK's most distinguished business organisations also participated in this unique event, which was organised for the first time by a Turkish business organisation, London Business Guide. Eminent British and Turkish business people attended the workshops, which were classified under three distinct topics. Train to Gain gave a workshop regarding business supporting services and business training, Davidson Morris Solicitors regarding Ankara Agreement (ECA) and immigration for Turkish business-
